

Brandt Farm Soil Health Field Day

Wednesday April 3, 2019 ; 8am-4pm

6100 Basil Western Road, Carroll, OH 43112

Pre-registration is REQUIRED. Call 330-475-6352 or 330-245-7618. Limited to 125 participants.
\$80 registration fee. Lunch, refreshments, and conference materials included.

Come join us for an exciting day with these extraordinary speakers and topics!

Frank Gibbs, retired NRCS Soil Scientist and owner of Wetland and Soil Consulting Services, LLC, will talk about what Soil Health is and why it is important. He will also demonstrate healthy soil dynamics in a long term no-till soil pit.

David Brandt, Carroll, Ohio farmer, will explain how he has built soil health on his farm using a three crop rotation and the changes he has made to get there.

Loran Steinlage, West Union, Iowa farmer, will talk about how he is using relay cropping and inter seeding to build soil health and improve crop resiliency on his farm.

Alternative Crop Marketing Opportunities for increasing your crop rotations or improve profitability with corn and soybeans.
